

Training programme for peers

10th – 11th of June, 2010 in Hämeenlinna, Finland

INVITATION

Dear colleague,

The Finnish LLP National Agency is developing peer review for Leonardo da Vinci Transfer of Innovation –projects (TOI), in co-operation with the Finnish National Board of Education. The aim has been to develop a method to enhance the projects' quality, impact and sustainability.

I'm pleased to welcome you to participate in a "first ever" training session for Leonardo da Vinci Transfer of Innovation peers. The training will take place in Hämeenlinna, Finland on the 10th to 11th of June, 2010 – right after a contact seminar "Tools for Quality Assurance in Vocational Education and Training" on the 8th to 10th of June, 2010.

Two principal trainers will guide the participants through the 1½ days of training. An active participation including submitting of pre-tasks is a prerequisite for attendance. The training session will prepare the participants to function as a peer in Leonardo da Vinci TOI projects.

A maximum of 30 participants will be accepted; therefore those interested are advised to register as soon as possible. The fee of the training is 320 EURO, including the accommodation and the meals. For registration and further information, please see the attached programme and practical information sheet.

We welcome you most warmly, and look forward to your active participation and enthusiasm for developing quality of vocational education and training!
